3. Planning Applications Received

2015/1043/NC

Little Haydon Farm, Crowhurst Lane, Crowhurst RH7 6LR
Change of use of agricultural building to class C3 (dwelling).(Prior approval class Q part 3 schedule 2).

The Council would like to support this application but raise concern over the precedent set within the village, given the number of barns there are across Crowhurst. However it was noted that if we are to accept new development we would rather accept agricultural type development which is more in keeping with the area than a housing estate.

2015/878

Thurso Crowhurst Road Lingfield RH7 6DG
Erection of a single storey rear extension and erection of porch to front elevation.

The Council would like to support this application.

The Council would like to support this application but raise concerns over the loss of affordable dwellings in the area. In addition, this reduces the number of homes available.

5. Items for Reporting or Inclusion in Future Agendas
Business plan, Telephone boxes and Website.
Jenny Bond thanked the Council for its support of the hog roast.
Lisa Siggery outlined the greenbelt consultation and reported two meetings would be arranged to consult the community early in 2016.
